

## Popplewell Trophy 2024

The recipient of this year's Popplewell Trophy is Marilyn Crocker of Victory AC. The nomination read as follows-

'Marilyn is an inspiration!

She has given confidence, advice and encouragement to many new and established runners in taking part in cross country. She has been Victory AC XC Team Manager for decades and is very much respected for this role and running in general.

Whilst continuing to run competitively in her 70s, Marilyn is also a very supportive friend to other clubs in the League, including members of Poole Runners, Denmead Striders and many more.'

What more can you ask for, a supportive and well respected runner and Team Manager. Well deserved.
